Project Based

Non-profit student project and event initiative, Kleve

Event details

How the first Project Based event in Kleve is planned to run, from the brief to the jury. Dates and details are still being set.

FOUR PHASES

01 **Brief**
An engineering challenge is announced.

02 **Team**
Students register and form teams that mix programmes.

03 **Build**
Teams work on site in Kleve.

04 **Show**
Teams present their work to a jury.

Placeholder: add the date, venue, schedule and how to register once they are set.
